

HESSLE LAWN TENNIS CLUB

Enjoy and respect

Equality and Diversity policy.

This applies to all members.

Hessle Lawn Tennis Club is committed to the equal treatment of all members and potential members. Our aim is to ensure that tennis is equally accessible to any member of the community so they can be fully involved in whatever capacity they choose. Members and potential members should feel respected and valued and are not singled out, with regard to their age, disability, gender reassignment status, sex, marital or civil partnership status, pregnancy or maternity, race, sex, sexual orientation, religion, race or sexual orientation, socio-economic status or any other background.

All members are expected to abide by these principles.

If you become aware of any infringement of equality and diversity principles, you should:

- Inform the club's Welfare Officer, immediately: Dave Shepherd (640594 or 07557 001154), or, if he is not available, another member of the management team, or the LTA safeguarding team (02084877000).

The Club is committed to the inclusion and diversity policy of the LTA – a copy can be found at <https://www.lta.org.uk/globalassets/about-lta/equality--diversity/British-Tennis-Diversity-and-Inclusion-Policy.pdf>
